Roadway

Driving business on our roads

Welcome

Just a few reasons why you should advertise in *Roadway*:

- *Roadway* magazine is read by the executive decision-makers across 5,500 road haulage and logistics companies every month, and includes the regular columns: LCV View, and RHA Coach.
- *Roadway* is an industry must-read with an established reputation for quality and agenda-setting coverage. It is no surprise that the most prominent figures in UK haulage and logistics speak directly to *Roadway*.
- Written by a team of highly experienced industry professionals, the magazine covers all the key industry news and developments, making *Roadway* a highly credible platform on which to showcase your products and services.
- And, with readers running over 250,000 vehicles of the UK fleet, and in charge of 10,000 operating centres as well as millions of square feet of warehousing space, you can be confident your message, and your products are reaching a market that is both large and targeted.

The magazine – in more detail

- *Roadway* is the first port of call for comprehensive regulatory, employment, compliance updates, produced by RHA policy, technical and legal experts who work with legislators and regulators to help shape the future of the industry.
- The magazine provides the complete business picture, uncovering the personalities behind the operations through regular profiles on operators and service providers with regular features covering key issues in business and technology.
- Specialising in features and tests of the latest vehicles to come onto the market, there is regular news on body/trailer development and materials handling, complimented by coverage of all the products and services the industry relies on.
- *Roadway* is a very popular publication for inserts, and as well as display advertising space we can accommodate semi-display. Our features, supplements and the RoadwayLive app provide sponsorship opportunities enabling you to align your business and brand with a magazine at the cutting edge of road transport industry publishing.

2024 features list

- The planned features for **Roadway** 2024 cover market changes, technical developments and regulatory changes. Information essential to the efficient and cost-effective running of a haulage and logistics business.
- The final deadline for press information is 14 working days prior to publication.
- The final date for advertising copy is 12 working days from publication.
- While every effort will be made to adhere to this forward features programme, if circumstances require us to cancel or alter the scheduling of the listed features at short notice we cannot accept liability.
